ANSWERS FOR FREQUENTLY ASKED QUESTIONS

Policies and procedures at White Hawk Country Club are a work in progress. Guidelines are evaluated on a daily basis by management and with input from membership.

-  The membership is for calendar year 2022 (*Pay Now, Play Now includes remainder of 2021 and entirety of 2022*) and includes golf, cart use and unlimited range balls. Play is unlimited except for periods of scheduled outings, leagues, tournaments and any other events.
-  ALL golfers are subject to the rules and regulations of White Hawk Country Club and no refunds of membership payments allowed for any reason.
-  Full payment must be made before the first golf round is played.
-  The member and those listed on the membership contract are responsible for all charges made. Your picture can be matched to your account in order to prevent wrong charges. See the golf shop to have a headshot photo taken.
-  All accounts are due by the last day of the month following the statement date.
-  The 2022 golfing season will last as long as weather permits. White Hawk Country Club retains the sole discretion to close the course for any reason.
-  Course availability will be determined by sunrise and sunset times which varies throughout the season. The Course Maintenance crew will be provided with sufficient time in order to ready the course for daily play.
-  Course rotations are important to follow because of maintenance scheduling and staff management. A weekly course rotation will be established in advance by the Director of Golf in conjunction with the course superintendent.
-  Members with private carts starting from their homes must check in with golf shop in advance of play so they can be notified of special cart rules or golf events for the day.
-  **NON-golf traffic on the course and cart paths is prohibited.** Cart paths are for golfers only.
-  All guests of members must be checked in and paid for with the golf shop before play to avoid being automatically billed to the member account.
-  Guest fee discounts apply to green fees during the regular season for regular rates (10%). Discounts cannot be applied to already discounted green fees (*i.e., Spring Rates, Senior Rates, 9-Hole Rates*).
-  White Hawk Country Club will communicate all scheduled outings well in advance.
-  Every consideration will be taken in regards to membership access to the course before an outing is contracted. Special member only blocking will be done for days/times when there is outing and league play.
-  Golfers will be designated to one of two course rotations based on their reserved starting time. Adjustments will be managed by the Starter/Ranger Staff.
-  The practice area will close one hour before sunset.
-  Starting times are required and will be taken anytime for membership. Contact the professional staff to arrange starting times for your group for the season.

- Groups of starting times for the weekend will be blocked for Member Only Use. These times will be opened to public play on Thursday morning at 8am, before the upcoming weekend. Number of blocks will be limited.
- Starting times are extremely valuable to White Hawk and repeated failure to use a reserved starting time will result in forfeiture of the advanced starting time privilege.
- Proper golf attire is required at all times on the course and the practice area.
- Cart usage will be two golfers per cart, with group of 2 or more golfers.
- Cart rental fees will be paid by all public golfers, no cart fee for members (*included with membership dues*).
- Personal carts registered with the office will be required to display an "approved" sticker and cannot be used until agreement is completed.
- The Trail Agreement allows members use of their private cart, trail fees included with membership dues.
- Non-members riding in a private cart are subject to applicable cart rental fees based on number of holes played. The fee can be paid with greens fees in the golf shop or member charged.
- The majority of correspondence is through email and our website. If you do not receive regular emails, please have your account information updated.
