

PUTTER PALS LEAGUE

A **FUN** two-person scramble, match play format, pick your own partner(s). Play is every Thursday **starting on May 5th, 2022**. League is a shotgun start at 5:15 pm, a schedule of matches will be set in advance based on the number of teams signed up. There will be two divisions based on team handicap/scores. Matches will be played among teams in their own division, and there will be a “final match” to determine overall winners. Shotgun start at 5:00 pm in September due to lack of daylight.

- **Scramble Format:** Both players tee off, the best shot is selected and both players play from that spot, continuing on until the ball is holed, play is from the Red Tees.
- The nine holes will be divided into three 3-Hole Matches. **Points are earned** for each 3-Hole result for a total of 3 points that may be won. **Win = 1, Half = ½, Loss = 0**
- **Playoffs:** **The top team in each division** will play a head-to-head match on September 8th to determine the Overall Winner. Non-playoff teams can pick another team to combine for a 4-Person Scramble.

HANDICAP/RULES OF GOLF

Team players will be assigned “A” or “B” player based on golf ability or handicap, decided by the team. There will be a team 9-hole handicap formula based on league scores. All USGA Rules apply except where modified by local rules (sheet), other local rules will be communicated based on course rotation used.

- A good pace of play is important, the match should be completed in 2 ½ hours maximum.
- **Maximum 3 over par** per hole, pick up and move to next hole.
- Teams with **no opponents** for the week, will receive 2 points. Starter may be able to make a foursome of golfers for play, but no match.
- A **single player** team, no partner that week, can play alone (one ball), and receive team handicap plus a percentage, “A or B” player.
- **New teams** without handicap will have one established after 3 rounds. Once the team has been given a handicap, match results can be figured based on the established handicap (New Teams). League results will be updated once all team handicaps have been established.
- If there is a **tie for top team in each division**, their head-to-head match results will determine who wins tie. If they tie their head-to-head or did not play each other, a coin flip will break tie with the lower number team being “heads”.
